## **RELAXING MASSAGE - 50 OR 75 MINUTES**

Imagine diving into a world where time stands still all tension dissolves, and the body finally finds its breath.

Our relaxing massage is a sensory journey that envelops you in an embrace of calm and serenity.

With enveloping and soft-touching movements, our expert operator will carry you to an oasis of peace. The oil caresses the skin, while the fluid and light gestures blend in perfect harmony. Each touch is carefully chosen to meet with body's needs, releasing accumulated negative energy and to ease the tensions that weigh you down.

It is not just a massage: it is a ritual that restores contact with yourself, an experience that renews the mind, body and soul.

Let yourself go, close your eyes, and begin to melt the heaviness lodged within, while a sensation of deep wellness envelops you, combining the stillness of the moment with inner peace.

## **BODY UNWIND MASSAGE - 50 OR 75 MINUTES**

Let the tensions vanish, while our deep tissue massage loosens the knots that limit you.

With a present and targeted touch, every tight spot unravels, every stiffness vanishes, giving you a feeling of lightness and freedom. The expert hands work on the tensest points, relieving pain and restoring energy to the body. An experience that not only frees the body, but gives you a new vitality, leaving you ready to experience every movement with greater harmony.

Let yourself be swept away by an experience of amplified well-being, where the body, emotions and energy intertwine in perfect flow.

The Integrative 4-Hand Massage is a profound journey that allows you to connect with yourself and with Life, welcoming every part of you with delicacy and sensitivity.

This treatment is an opportunity to engage your whole body and mind, to awaken a new energy, an amplified perception of yourself. The hands of Susanna and Leonardo, in perfect harmony, will draw you beyond known limits, helping you to free yourself from control and open yourself to new possibilities.

This is the treatment that carries you towards a unique state of renewal and transformation. If you want to let resistance go, surrender to the present moment and uncover a new perception of yourself.

## **TREATMENT FOR TWO PEOPLE - 50 OR 75 MIN**

Imagine stepping together into a world that comes to a halt, where every burden soothes, and the body rediscovers its rhythm. This relaxing massage is a shared sensory journey, which envelops you in an embrace of calm and serenity, creating a wellness space to experience together.

With delicate and enveloping movements, Leonardo and Susanna will lead you both, individually, towards a peaceful escape. The oil caresses the skin, while the fluid and light gestures blend in perfect harmony, dissolving all tension and releasing the accumulated negative energies. Each touch is designed to fulfill your body's needs, crafting an experience that fades away the heaviness of the day and leaves a feeling of lightness and deep connection.

Sharing this moment of wellness gives complicity and connection to any sort of relationship, combining the serenity of the moment with inner peace.

## **COUPLE TREATMENT - 90 MIN**

A moment dedicated entirely to the couple, where the clock forgets to tick, leaving room only for the deep connection between souls.

A precious gift for the couple who choose to live an experience of authentic well-being together, enfolded in harmony and ease.

Leonardo and Susanna will warmly welcome you with an essential oils massage, a gesture of care and attention that glides over the skin like a loving encounter. Initially separate, your bodies will receive individual treatment, to then unite in a subtle embrace, where the energy of each rise, creating a deep and intimate balance.

A journey of physical and emotional lightness, which will facilitate a true, authentic encounter, going beyond words, where you can rediscover the other as a vibrant soul with beauty and love.

It is a unique opportunity to renew the strength and value of the relationship, giving yourself the chance to go backwards to the truth of the body, to the "here and now".

Massage becomes a way to dissolve barriers, to reconnect to your purest essence, restoring freshness, complicity and vitality to the couple.
